Bullnose Syrah '20 96 Points

Baked plum, cream and a touch of vanilla almost have an overtone of citrus. The palate is alive with white pepper spiciness, dense with ripe plum and red cherry, while a lactic note sets another aromatic accent. Fruit and flavour are concentrated yet the texture is very fine. Tannins are like starched velvet – rich, smooth and crunchy – and the aromas just swirl with heady abandon. This presses just so many pleasure buttons.
