## Bullnose Syrah '21

99 points ★★★★★

Expressing precision and purity, combined with brooding strength and complexity, this is spectacular and breath-taking. Immediately appealing with dark plum, sweet cherry, graphite, olive, spicy oak and floral aromas, it's succulent and fleshy in the mouth delivering layers of seductive flavours backed by beautifully infused tannins. It's mouthfilling and velvety with a prolonged engaging finish.

**Spectacular and breath-taking.**
